Event Update

- Our Community Steering Committee Meetings start back on Thursday at 5:30pm. We'll be hosting a team from Nashville Public Library to give us hands on lessons in online security. We'll also hear from our MNPS transportation provider SBC about potential job placements.

Culture Update

- At LEAD Brick Church, we seek to celebrate positive role models and have a little fun while doing it. Thus, we present Black History Spirit Week Tuesday, February 20th to Friday, February 23. Students may dress up in the following categories. Look out for more guidance in next week's bulletin:
 - Tuesday: Black Music Day (5/6th: 80's music stars & 7/8th: 90's music stars)
 - Wednesday: Ankara Print Day
 - Thursday: Words of Wisdom Wear
 - Friday: Famous Black Hero Day

Academic Update

- We've gotten your feedback and we've put together an afterschool program to take place on Early Dismissal Wednesdays, starting on February 7th. Please sign and send back the attached permission slip so that your student may participate.
- In an effort to keep families informed on scholars' academic growth, Progress Reports will be coming out weekly. These should be signed by a parent and returned to you scholar's crew teacher by Friday.
- We are putting an emphasis on attendance this month. We know that scholars must be present, on time, and ready to learn to get the most out of their education. Building healthy routines in middle school will help scholars be more successful in high school, college and in life!

Calendar Update

- As a reminder, Wednesday 1pm dismissal days continue through the end of March. Our next early dismissal is this Wednesday, February 7th. See the Academic Calendar on our website for a full schedule early dismissal dates.

Community Update

- Check the back of this bulletin for some events at our partner library branch in Clarksville!
