 - **Mackenzie Bronkema** has moved in to the 6th grade math role from previously being on our EE team.
 - **Nancy Douyon** has been hired as an Educational Assistant supporting our 5th grade & intervention classes.
 - **Jenna Duncan** has come on board to serve as our Intervention Specialist
 - And, a reminder that **Kayla Miller** has moved from Data and Assessment Coordinator into the role of Dean of Culture. Her phone number is 615-509-0457.

Engagement Update

- Our monthly **Community Steering Committee Meeting** last Thursday was awesome. We were joined by our Interim CEO and Board Chair Dwayne Tucker, as well as our School Director, Kelly McMullen, who displayed their Commitment to our school by answering parent and student questions openly. Topics of interest included extracurricular activities, clubs, and ways to better engage our families. Our next meeting is **Thursday, November 9th at 5:30pm**. This is an awesome opportunity to give your feedback about how our school is meeting your scholar's needs!
- We will be hosting our first **Open House** for enrollment in the 2018-2019 school year on Thursday, November 2nd. Mr. Smith will reach out to current families to participate in our community panel. If you know anyone looking for a great middle school next year, make sure they contact Mr. Smith at 615-678-3591.

Academic Update

- **Report cards** for Q1 came out yesterday. These were mailed home and sent home with scholars. If you have questions about a grade, please contact that teacher directly (contact information on our website <leadbrickchurch.leadpublicschools.org>) or reach out to the Main Office. Report cards must be signed and returned by the end of the week. Included in today's packets are parent logins for Illuminate, our grade tracking software, and Kickboard, our behavior tracking software.
- **Parent Conferences** will be an opportunity for families to set time with the school in order to discuss their scholar's academic successes and opportunities for growth in the classroom. All students in danger of being retained had a notice attached to the report. These families should expect a personal phone call from staff by tomorrow inviting them to these conferences.
