Engagement Update

- Our monthly **Community Steering Committee Meeting** met last Thursday and envisioned what our library could look like as we seek to turn it into a 21st-century learning space. Because of all the energy poured in, we're hosting another meeting **on Thursday, November 30th @ 5:30pm**. We'll be deciding some details in advance of our Board of Directors meeting in December. Please come out and be a part of this awesome project!

Event Update

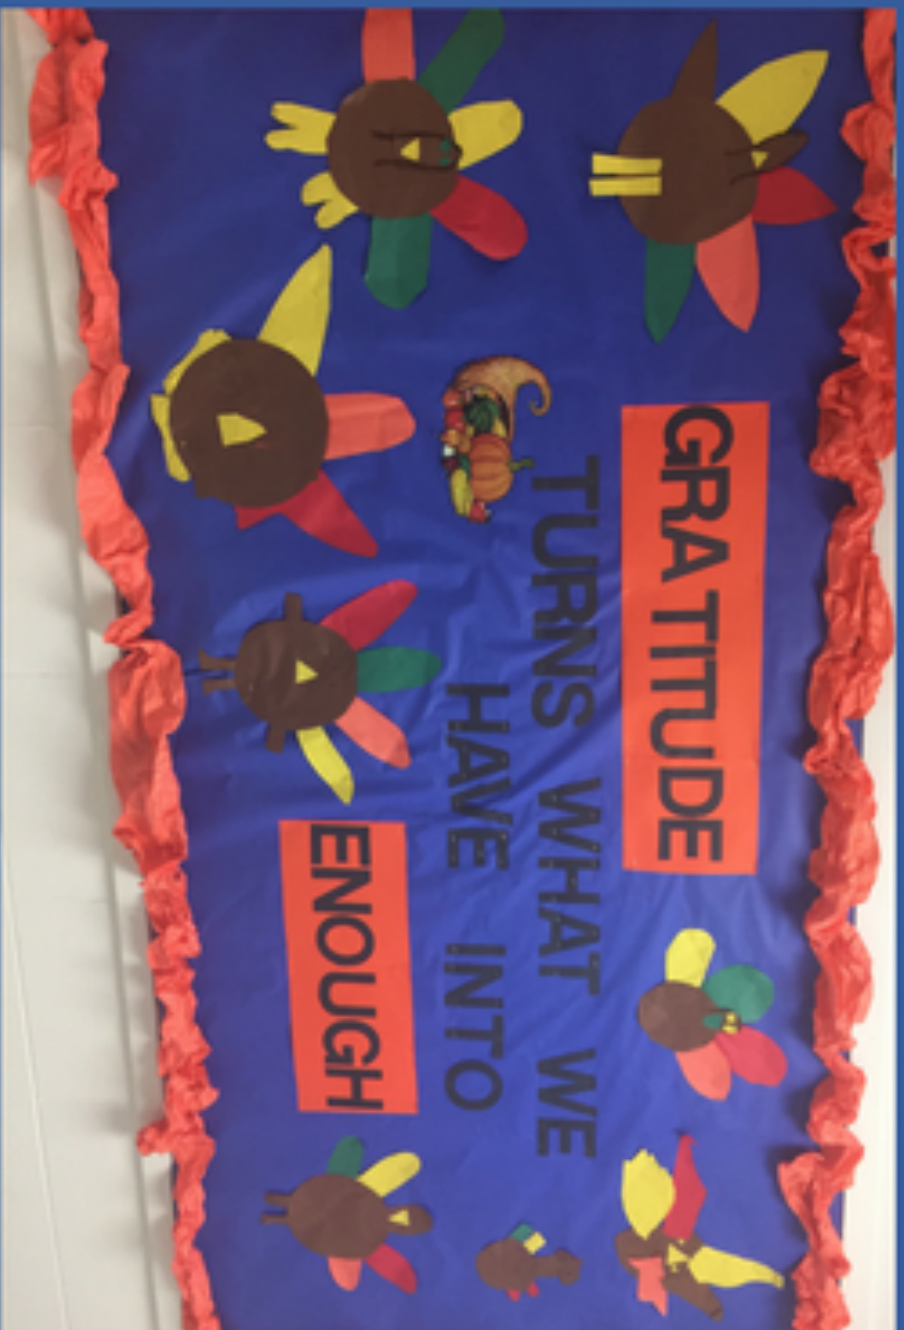

- Please join us in fellowship and appreciation of our LEAD Brick Church family at our Thanksgiving Potluck next **Monday, November 20th @ 5:30pm**. Please RSVP by Friday using the back of this bulletin and returning it to the school. Be sure to invite friends and family to join in!
- We are beginning our "**LEAD Brick Church Has Heart**" **Food Drive** for the winter holidays after our Thanksgiving Break. Each grade will be responsible for bringing in assigned items, which will be assembled into baskets for some of our most deserving families. The grade that brings in the most food items will have a celebration on Wednesday, December 13th. If you'd like to make a large donation, please contact our Main Office.

Culture Update

- As the weather cools down and gets chilly, please remember that students are only allowed to wear LEAD Brick Church attire. Scholars can purchase a sweater in the office for \$20, and students are welcome to wear solid-color long sleeve shirts underneath their polos.

Culture Update

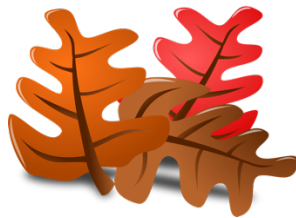

- Please welcome 2 new staff members to our team:
 - **Coach Killibrew**, our new PE teacher!
 - **Toeleah Johnson**, who will be our 7th grade Math teacher!
